

One Church—One Vision

Frays Mill—Getting Connected!

What's the big news at Frays Mill? Is it the number of new people attending? Is it the increased attendance at 9:30 and 11:00? Is it the youth ministry or mission testimonies? As good as those things are, the BIG news is what's coming up September 7! We are starting a 10:45 Connection Hour and there will be small groups for preschool, children, youth and adults!!! If you attend the 9:30 service this is a great place for you to get connected. More details are coming!

At our 9:30 Sunday School hour we are working on a new day for preschoolers and children (see article on front page) and we are adding 2 adult opportunities—a "Second Half" Couples Class and our newly formed Young Couples class. In addition we have several established adult classes so if you attend 8:15 or 11:00 service find your place in the 9:30 Sunday School.

Seminole Soars

We have had summer attendance as high as 96. We have new families joining us. The Youth Mission Trip resulted in two of students making professions of faith. Members of Seminole joined with members from

other sites to make a difference in Jonesville and South Africa. Then the world came to us in the form of an Italian team we are hosting the first week of August. But we are just taking off...we have places to go yet. Fall will bring opportunities of new small groups, reengaging our Youth program and even talk of a Seminole Mission Trip! Those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. Isaiah 40:31

Spotswood—Relationships

The news from Spotswood is relationships! Our Spotswood families hosted 7 of our Belarus visitors this summer. What a busy summer they had as the families took them to medical appointments, dentist appointments and on all kinds of fun adventures. These relationships make such a difference in the lives of these children!

Still other Spotswood families were making new relationships in Southern Virginia. They've come back from their mission trip to Jonesville with such energy to do even more Kingdom work! They have shared wonderful testimonies of relationships formed with Special Needs folks, new parents, and children.

We continue to look for ways to form relationships here in Greene as well. We continue to see new faces in our services nearly every week. We have plans to help our community this fall through small groups, ministries, and partnerships with others as well.

Explore Ministry Calling and Education at Spring Hill!

The Central Virginia Baptist Association and John Leland Seminary are partnering together to offer a Diploma in Theological Studies right here! The first course is "Formation for Ministry" and will be led by Dr. Jeff Cranford. Orientation is August 19 from 6:30-8:30 at Spring Hill. For more information, contact Dan.
