TEAM NOMAD REACHING NORTHERN MADAGASCAR FOR CHRIST

TEAM NOMAD

“Let them give glory to the Lord and proclaim His praise in the islands.”

Isaiah 42:12

We are finally home . . . ✕

The Berry girls arrived into town on July 14th and the boys arrived two days later, with a loaded truck, 3 dogs and one sick Walker. Praise the Lord everyone and everything arrived safely! Thank you for your prayers as we traveled along the roads and sky of Madagascar. Also, thank you for your prayers as we finished up our time in Antsirabe with language and said goodbye to dear new friends. We are now settled and getting into more language learning. We look forward to what God has in store as we seek to be His “hands” and “feet” in Diego!

Prayer Requests:

1. Please pray for our new time of language learning. Now we start learning dialect. In order to share the gospel, we desperately need to learn the heart language of our people.
2. Pray for Walker & Delaney as they start 5th and 7th grade. Also, pray for their teacher!
3. Pray for God to lead us to those people He desires us to reach. May we be obedient & willing to be led.
4. Please pray for my grandmother (Christina) as she is dealing with many medical issues. Pray for my Aunt who is taking care of her and her needs. May God pour out His love, patience and endurance.
5. Pray for our team, as we learn and grow together. Pray for our new team family arriving in October.

Life in Diego Suarez

The Lord has blessed us with a beautiful place to live and minister. Just yesterday Walker offered up a praise that God has called us to place where we can witness His majestic creation every day - the Indian Ocean! You can see the beauty on the outside, but what hides beneath is much different. Please pray for Diego, the town and the surrounding villages. Many villages are hours away and have no access to the gospel. Pray for people of peace, pray for leaders, pray for Malagasy to walk with us and ahead of us to shout and proclaim the gospel. There are many who sit in a beautiful paradise, but don't know who created it or what He did for them on the cross.

Visitors . . .

We loved having a sweet friend from Uganda come and visit for a few days! What a blessing to spend time with friends. Now I am enjoying some Uganda tea :o) Not to mention, more of my favorite beaded sandals from the craft market. Thanks Sandra! Praising God for the relationships He creates along the way. Praising God for each of you who walk along with us through prayer and petition. We thank God for you all!

Family & Team . . .

The Berry household routine will change drastically in the next couple of weeks - school BEGINS!! Pray for Walker & Delaney as they start a new year, may they grow in knowledge, wisdom and continue to seek a stronger relationship with Christ. We praise God for the gift of team, which is like family. Praise God for our team leaders, Michael & Michelle. Pray that God would use each of us for His glory. Also, we praise God for the Mitchell family who arrive next month! Our team family grows . . . God is good!
