

Vision, Mission, Values

Vision

Bring Hope. Share Christ. Impact the World.

That is our vision. A vision to seek God's heart for His will, not ours. A vision to keep us moving in one direction, not many. A vision to keep us outwardly focused on the community and the world, not inward. Spring Hill's vision is to light the path of hope to our community and our world. *God is light and in Him there is no darkness at all. 1 John 1:5* A light in the darkness brings hope. God is that hope. By sharing the good news of Jesus Christ, we spread hope and light to impact the world.

Mission

Create opportunities to follow Jesus
